

Today, it is \$15,088,441,787,407.62. We've added \$10,287,036,612,113.34 dollars to our debt in 16 years. This is \$10 trillion in debt our nation, our economy, and our children could have avoided with a balanced budget amendment.

**FAIRNESS FOR HIGH-SKILLED
IMMIGRANTS ACT OF 2011**

SPEECH OF

HON. JEFF FLAKE

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 29, 2011

Mr. FLAKE. Mr. Speaker, I am pleased to support H.R. 3012, The Fairness for High-Skilled Immigrants Act.

I congratulate my colleague from Utah and my colleague, the esteemed chair of the Committee on the Judiciary, for moving this bill through the committee process and bringing it to the floor. I am pleased to be a cosponsor.

This bill will eliminate per-country limits on employment-based immigration, which limit the total employment-based immigration from any one country to just seven percent of the overall number of visas allowed.

While there may have been a rationale for per-country limits in the past, currently they have created a bottleneck for those seeking to legally emigrate from high population countries. These high population countries also happen to be countries from which a large percentage of high-skilled workers come.

Simply put, H.R. 3012 will reform our employment-based immigration such that our economy will have better access to the best and the brightest in the world.

The value of foreign-born, high-skilled talent simply cannot be overstated.

For example, researchers at Duke University and University of California—Berkeley found that, from 1995 to 2005, more than a quarter of engineering and technology companies started in the U.S. had at least one foreign-born founder and in 2006 these companies employed 450,000 workers and produced \$52 billion in sales.

Facilitating U.S. industry having access to the best and the brightest from around the world is crucial to ensuring that we stay on the leading edge of global innovation.

Given the economic realities we face, these reforms could not come at a better time and this legislation has received support from CompeteAmerica, the Information Technology Industry Council, TechAmerica, and Immigration Voice.

This bill is the right policy at the right time and it is my hope that it moves through the legislative process and ultimately lands on the President's desk expeditiously.

In addition, Congress can and should continue to look for fixes to our current approach to legal immigration that will benefit our economy.

For example, there is a growing consensus that steps should be taken to ensure that we are able to retain foreign-born graduates with advanced degrees in science, technology, engineering, and math, as opposed to losing them to countries with which we compete.

I look forward to working with the Chairman and my colleagues on commonsense reforms that can help the U.S. retain its competitive

edge and remain at the forefront of the global marketplace.

**RECOGNITION OF MAJOR ALISON
HAMILTON**

HON. NIKI TSONGAS

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, December 2, 2011

Ms. TSONGAS. Mr. Speaker, I rise today to recognize and pay tribute to Major Alison Hamilton, United States Army, on the occasion of her departure from the Army House Liaison Office to deploy to Afghanistan in support of Operation Enduring Freedom.

I, and many other members of this chamber, have had the pleasure of working with her as she has served as a part of the U.S. Army Office of Legislative Affairs, and prior to that, when she served as a Congressional Fellow in my office.

In 1999, while still a West Point cadet, Major Hamilton was awarded the Soldier's Medal—the Army's highest peacetime award for bravery—"for heroism above and beyond the call of duty" following the terrorist bombing of the U.S. Embassy in Nairobi, Kenya, on August 7, 1998 when she risked her life to rescue others.

Following her graduation from West Point, Major Hamilton was commissioned a second lieutenant in the United States Army. During her 13-year career, she has served as platoon leader for companies of Military Police in Germany and Kosovo and as the Battalion S-1 for the 709th Military Police Battalion. For 19 months, she commanded the 212th Military Police Detachment stationed in Fort Belvoir, VA before deploying to Arifjan, Kuwait to serve as the theatre operations officer in the only strategically deployable Field Army headquarters in the U.S. Army. Upon redeployment, Major Hamilton went on to share her field experience with cadets at the Valley Forge Military College where she served as the Battalion S-3 and Assistant Professor of Military Science.

In 2010, she joined my personal office as a Congressional Fellow tasked with assisting me in my work on the House Armed Services Committee and quickly became an integral and important part of our team, demonstrating the same level of leadership, maturity, dedication, insight and intelligence that have been the hallmarks of her career. Alie took initiative to help me pursue several legislative initiatives and served as a valuable resource to me and my staff. Her warm personality and even temperament mixed with her thorough attention to details and intelligence made her a reliable and trusted member of our team. Even after her yearlong commitment was completed, she remains a regular visitor to my office but we miss her daily presence.

Following her fellowship, Major Hamilton was assigned to the Army House Liaison Office as a Legislative Liaison where she continued her dedicated service to the Congress and to the Army. Throughout her assignment to the House of Representatives, Major Hamilton has been a superb representative of Army values.

It is my great honor to congratulate Major Alison Hamilton on her service to the Army and our Nation and I ask my colleagues to join

me in recognizing the remarkable accomplishments of this soldier, citizen, and friend. We wish her a safe and successful deployment and a speedy return home.

**HONORING OLD MISSION SANTA
BARBARA ON ITS 225TH ANNI-
VERSARY**

HON. LOIS CAPPS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, December 2, 2011

Mrs. CAPPS. Mr. Speaker, I rise today to commemorate the 225th anniversary of the Old Mission Santa Barbara in Santa Barbara, California. This is a momentous occasion. Founded by Father Fermon Lasuon on the Feast of St. Barbara on Dec. 4, 1786, the Old Mission Santa Barbara has been administered by the Franciscan Order since its founding, making it the oldest continually operating church in California.

The Old Mission is an exceptional example of both neo-classical architectural design with Mexican, Spanish and native Indian influence, and a rare, lasting example of Chumash sculpture and craftsmanship. Throughout the Santa Barbara Mission's 225 year history, it has served as the signature building of the Santa Barbara community.

In past years, the Old Mission has alternatively served as a mission, a boarding school, a bishopric, a theological seminary, a museum, a private residence, a retreat center, and a parish church. After the devastating earthquake of 1925, which destroyed much of the towers of the mission, the community rallied in support of the Old Mission by collecting pennies and holding benefit concerts all to fund the Mission's restoration.

Old Mission Santa Barbara, a National Historic Landmark, and known as the "Queen of the Missions," continues to serve our community by hosting the Old Mission Arts and Crafts shows, I Madonnari Festival, the world famous Old Spanish Days Fiesta, the blessings of the animals, and the Christmas nativity crèche, as well as other historic celebrations and community gatherings.

Mr. Speaker, I urge my colleagues to join me in commemorating the 225th anniversary of the Old Mission Santa Barbara and the central role it continues to play as a cultural and historic landmark in the city of Santa Barbara.

**COMMEMORATING WORLD STROKE
DAY**

HON. ZOE LOFGREN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, December 2, 2011

Ms. ZOE LOFGREN of California. Mr. Speaker, I rise today to commemorate World Stroke Day, which was observed on October 29th. Although I was unable to commemorate this day when it occurred, it's never too late to raise awareness about this devastating disease.

On average, a stroke occurs every 40 seconds in America, and it's the fourth leading cause of death in our country. A stroke is essentially a "brain attack" that occurs when
